** This amount represents the lump sum of the ingredient cost and the pharmacist's dispensing fee

Average Dispensing Fees by province for the period of Jan - Jun 2013

Summary Note for the Average Cost submitted in Quebec amount.

The ingredient cost and the pharmacist's dispensing fee are not separated. provinces.

In order to analyze the costs for drug claims submitted in Quebec, please find above a report with the average cost submitted per prescription (Rx), the average quantity per prescription (Rx) and the unit ingredient cost.

When comparing average costs submitted per prescription (Rx), please take into account that the average quantity per prescription is lower in Quebec (on average, 45 days in Quebec vs. 65 days in other provinces).
